

How To: Add Netchex Profile Photo

- From your Netchex app or online, log in and click “Edit” on the blue circle with your initials.
- Add your photo and save.
- Guidelines:
 - Photo must be professional and appropriate for a workplace environment.
 - Dress in attire consistent with dealership standards.
 - Avoid distracting backgrounds, props, or other people in the photo.
 - No offensive, suggestive, or inappropriate content.
 - No logos or promotion of personal businesses, brands, or outside organizations.
